Tamper Evident Bags

Our tamper evident bags are widely recognized as the most trusted and most secure tamper evident bags in the industry. Federal Reserve branches, financial institutions, retailers, and armored carriers rely on South Coast Solutions' Eco S.T.A.T.™ tamper evident bags to insure their cash is secure.

Features

- Federal Reserve compliant.
- Full range of distribution options available, including the industry-first BAG TRACK.
- Both stock (for immediate shipment) and custom designed products are available.
- The biodegradable, tri-layer film has no shelf-life limitations but degrades when buried in a landfill. It is also recyclable for maximum environmental responsibility.

Industries

- Banks/Financial Institutions
- Casinos
